First Announcement

Dear colleagues,

Chuiko Institute of Surface Chemistry of NAS of Ukraine cordially invites all the scientists active in the field of surface science to participate in the International Symposium devoted to the 80th anniversary of Academician O.O.Chuiko "Modern Problems of Surface Chemistry and Physics" which will be held in Kyiv (Ukraine) from 18 to 21 May 2010.

Official language of the International Symposium is English.

Speakers are asked to prepare their contributions using Microsoft PowerPoint application.

Poster size: 80×100 cm.

Accepted abstracts will be printed in the **Abstracts Book** by the beginning of the International Symposium.

Instruction for Authors:

Full text of the abstract should not exceed **two A4 pages** (including figures and tables) typed in **Times New Roman 14 pt**, with **single spacing** in the body of the text.
